2023 Membership Renewal

Like a breathe of fresh air, a new year has come upon us.

Take part of the nonprofit association, the West Virginia Water Well Drillers Association (WV WWDA), to provide support and the stability for the water well industry. Renew your membership or join us for the first time.

Members take part in reduced rates for the annual Spring Conference and receive free association give-a-ways while supporting the industry for the advancement of the groundwater industry in all disciplines.

Each membership is \$75 for individuals that are actively serving the groundwater industry in and around West Virginia. Become a member today by downloading the Membership Form and returning it to the WV WWDA office with payment by check or credit card.
